

Pistils Nursery Photoshoot Agreement

Thank you for your interest in using Pistils Nursery as a location for your photoshoot!

In order to create the best possible outcome for your photoshoot, please review the following guidelines which detail what we can accommodate in our shop during business hours.

Guidelines for Photoshoots During Business Hours

- In order to minimize impact on our customers, we limit photoshoots to Mon-Thurs, between the hours of 11:00-12:00 and 5:30-6:00, or based on the discretion of the staff on duty. Advanced notice is greatly appreciated - please email media@pistilsnursery.com to schedule.
- Outside the hours specified above, or without advanced notice of your arrival, we may need to ask that you return at a later date.
- Please limit your team to no more than 2 people; model and photographer.
- We cannot accommodate equipment set-up (tripods, lighting, etc.) during business hours.
- We cannot accommodate wardrobe changes during business hours, and do not have a space to store personal belongings.
- Please be mindful that the majority of our merchandise is sensitive to touch and should not be used for props. We reserve the right to charge for any merchandise that is damaged or broken during photoshoots.
- Please do not sit or stand on tables, displays or other merchandised areas. Thank you for not de-merchandizing or otherwise changing displays.
- Please be mindful that we operate in a very small space. Take care not to block doorways other entryways, and be willing to pause to allow our customers to explore and shop.

While we'll do everything possible to make sure your photoshoot is a success, please keep in mind that during business hours you are in an active retail space and **our number one priority is the experience of our customers**. Thank you for respecting our customers by sharing the space with them and for understanding that we may need to ask you to return at a later date.

Thank you for helping to spread the word about Pistils Nursery by sharing your photos with the world! We'd love to see them, too - please find us on social media @pistilsnursery and feel free to link to our website: pistilsnursery.com
